

Client: Cavco

Programs: Mergers & Acquisitions
Factory Plans (System wide)

Locations: + 20 Factories – Nationwide

Cavco manufactures Modular Homes in large scale factories strategically positioned throughout the United States. The exponential growth of their Brand was by Acquisition buying Chariot Eagle, Fairmount Homes, and others.

All their Facilities vary immensely, and Designers Edge is performing an integral task of documenting all of their facilities nationwide. Part of our deliverable is Standard Conditions Drawings as well as area maps and workflows that are helping to unify brand assets.
